

City of Allen Park

Cooperative Education

The city of Allen Park continues to expand on opportunities that will help the business in our community. Traditional Co-op / Internships programs can offer a wide variety of opportunities that can benefit students and business. Cooperative Education / Internship are academic partnership in which a school and an employer work together to provide the student with a method of learning which integrates work experience and classroom instruction. Students are working in practical, paid or unpaid positions directly related to their educational and career goals. Through the integration of academic study and work experience, students enhance their academic knowledge, personal development, and professional preparation.

Please explore the contacts below for information how you can get involved with Co-operative Ed:

4500 Enterprise Drive | Allen Park, MI 48101

Toll Free: (800) 767-4120 | Phone: (313) 425-3700
