Amendment to City of Allen Park Emergency Manager Order 55-A of 2014; adopted on September 25, 2014:

1. **Recommended Change to EM Order** - This amendment will allow the City the option to either hire a professionally qualified firm to provide marketing services or seek competitive bids for the sale of up to seven acres of the property.

   Treasury and the City of Allen Park consulted on the development of this amendment. The City reviewed and concurred with the draft amendment prior to consideration by the RTAB.

2. **Justification for Recommendation** – The first amended Order required the City to identify an approved purchaser by an RFP process. This EM Order amendment is necessary because the City lacks the resources and personnel to professionally market or evaluate a comprehensive RFP to ultimately sell the property to another party.

State Treasurer Approval:

I, Nick A. Khouri, State Treasurer for the State of Michigan, pursuant to the authority assigned by the Governor of the State of Michigan at the time of appointment of the Receivership Transition Advisory Board, do hereby:
