Re: Council Housekeeping Report

1. The first part of the Street Improvement Millage work continues on Garfield from Allen Road to Rosedale Avenue, with the last section being prepped for concrete to be poured later this week. The contractor has started asphalt and concrete removal on Niver Avenue.
2. The HVAC Replacement Project at the Fire Station is scheduled to start July 5th. The bids for the Exhaust Removal System are due Thursday, July 21st.
3. Senior Olympic registrations are available at the Recreation Offices. Senior Olympics is being hosted this year by Wyandotte and the deadline for registrations is June 30th.
4. Applications for the Allen Park Sports Hall of Fame are being accepted at the Recreation Office.
5. The Community Build playground at Boccabella Park is scheduled for Thursday, June 30th. They will start around 8:00 AM. If people know they are going to be there, please call the Recreation Office at 313-928-0771 and leave their name. No need for tools or shovels, just helpers. The event is being sponsored by the Allen Park Citizens Civic Fund and Lowe's – Allen Park, as both are providing people, funds, or products. To this point, we

have received additional donations from C. E. Raines, Buccilli Group, and Great Lakes ACE – Allen Park.

6. Street sweeping continues, and the Water Department continues flushing Fire Hydrants – for the next five (5) weeks from Southfield to Englewood.
7. The parking lots at Cunningham, Gahona and Millward Parks have been sprayed for dust control.
8. The \$16,750,000.00 bond sale is scheduled to close June 29th.
9. At the RTAB meeting this past Wednesday, the board approved a recommendation to the State Treasurer and Governor Snyder local control be restored to the City of Allen Park, with restrictions.
