Re: Council Housekeeping Report

1. The Street Improvement Millage work continues on Shenandoah Avenue from Ecorse Road to Pinecrest Avenue. The east side of the street has been finished, with the exception of the intersections at Philomene and Beverly. The contractor has started to remove the asphalt cul-de-sac on Kolb Avenue.
2. The Street Sectioning Contractor is wrapping up the work at the Fire Department to replace the back parking lot.
3. The HVAC Replacement Project at the Fire Station is in the final stages.
4. The contractor for the Exhaust Removal System project will be able to start once the HVAC project is complete.
5. The Fire Department Open House is scheduled for October 9th from Noon to 3:00 P.M.
6. The Fire Union will be holding a Pancake Breakfast on December 4th. The money is going into a charity to sponsor families in Allen Park during the Christmas holiday.
7. Work on the Watson Street Pump Station was set to start yesterday, September 26th. This project should take three weeks to complete.

8. The Warwick and Arlington Water Main Replacement Project was approved by the RTAB this morning.
9. DPS will start street sweeping in October.
10. Stonefield Development started their development at Outer Drive and Southfield, in front of Dunham's. The retail complex will include an AT&T store and mattress store.
11. The City's Audit will start October 3rd.
