

Title: Allen Park, MI Implements 311 Citizen Service System!

Allen Park, MI is implementing their new 311 citizen service system! The city's 27,600+ citizens will be able to report non-emergency issues in their community.

The city is known for providing exemplary citizen services. It has been recognized in Money Magazine's list of America's Best Small Cities. And now, with the [free, easy-to-use app](#) and [web tools](#), Allen Park citizens will now be able to provide city staff with pictures, videos, specific descriptions, and more -- ample, valuable information needed to get the job done as efficiently as possible.

The platform will also offer a [centralized and integrated management system](#), whereby [city officials](#) can engage further with citizens, track issues and monitor success. This unified and citizen-connected platform will increase both the quality and efficiency of service throughout Allen Park.

The mobile app is available for download on [Android](#) and [iPhone](#). In addition to the mobile apps, residents can send reports to [seeclickfix.com](#).
