Re: City Administrator's Report to Council

1. Allen Road is now closed at the Ecorse Creek. The communication from Wayne County has left a lot to be desired. As we receive updates, we will post them on the various Facebook pages.
2. Wayne County will soon be paving Oakwood Boulevard from I-94 to Fairlane Drive.
3. The Belmont Avenue water main replacement from Fox to Champaign continues. The contractor, RVP, is finishing the installation of the services and will finish two tie-ins by the middle of next week. Once all that is complete, GV Cement will be on site to start the concrete replacement and restoration. The estimated timeframe until complete restoration is three to four weeks – weather permitting.
4. For the PY 2020 CDBG Kennedy Park Project, Wayne County Procurement is in the process of reviewing the one bid that was received from Sinclair Recreation. They have been the contractor for the Humpty Dumpty and Briar Rabbit Park projects.
5. The Proposed Fiscal Year 2021-2022 Budget will be distributed to the Mayor and Council this evening. The Proposed Budget will also be available on the City's website. A Budget Work Session is scheduled for next Tuesday, April 20, 2021 at 6:00 PM.
