Re: Council Housekeeping Report

1. The City received notification this morning that the FY 2019-20 Wayne County Park Millage Allocation will be \$53,000.
2. Due to some design challenges, we are moving the Old Goddard water main project to the summer of 2021. In its place, we will replace the water main on Belmont Avenue from Fox Avenue to Champaign Road.
3. The Department of Public Services has a job posting for a Public Service Worker. The application and job description are available on the City's website. The posting closes on February 28th.
4. The U.S. Census Bureau will be using our Council Chamber for training sessions in order to conduct the 2020 Census in Allen Park and the neighboring communities. They are scheduled to be here on nine (9) different days in April and May. Two of the dates are Council Meeting days and they will have their tables folded and put aside and the chairs will be in normal order for the Council Meeting.
5. The Commissioner Appreciation Dinner has been moved back one week to April 30th.
