

April 11, 2020

We lost another resident to COVID-19 today; a 70 year old male. Our thoughts and prayers go out to his family and friends and to all who have lost loved ones recently.

Allen Park had 6 more confirmed cases today and we now have a total of 115 confirmed cases and 9 deaths.

In addition to the Wayne County report, I am posting sheets showing how cities in this report compare in number of confirmed cases and deaths as a % of their population. Numbers of confirmed cases and deaths continue to rise. The State has begun to provide recovery data, which they update every Saturday. Numbers are based on persons alive 30 days post-onset or referral date. As of 4/3/20 they reported 56. As of 4/10/20, they are reporting 433
