Asking to be part of this year's fair to pass out literature and promote their business. Alice Prusak and Chef Michael presented their request.

Tina indicated that we should be able to place them on the corner in front of their business, or as close to it as possible. They will submit application for a booth under the AP Business section,

Nancy Knick presentation for Kid Zone and Historical House.

Indicated that the Historical House will have paid parking in the show parking lot. She indicated she had an email from the City stating that.

Also asked how much booth space was for non-profit and told her \$75 for a 10x10 space. I also informed her that the group needs to apply ASAP as time is running out. Followed up with an email letting her know this same information in writing and that if they wanted a 10x20 space the cost would be \$150.

Nancy then introduced the Bounce House people wanting to locate a Kid Zone for this year's fair. They made their presentation to the committee. Commissioner Matakas suggested they go to Parks and Rec with their request. Commissioner Gaworecki found meeting minutes from 3/31 where the commission unanimously voted against a Kids Zone and Bounce Houses due to COVID and Liability issues. They were unaware of this and thanked us for our time.

Chief Egan spoke on behalf of the Police Department

Looking for the commission to assist with a letter of recommendation for a Grant that the Police Department is looking to submit. Information was passed on to Commissioner Matakas to respond with a letter from the commission. Looking to have it completed by the end of next week or as soon as possible based on the submission deadline for the Grant.

Explained to the Commission Flock cameras and invited us to attend an informational meeting at DPS on June 16th at 10 am. A few commissioners are looking to attend as we will consider the options for a camera at our next meeting.

Meeting adjourned at 7:55 pm
