I Pledge Allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

- The flag should be flown only during daylight hours; however, it may be flown at night if properly illuminated.
- The flag should be hoisted (raised) quickly and lowered ceremoniously.
- When flying with other flags, the U.S. flag should be to the observer's left and above or at equal height to the other flags.
- When flying with the flags of other nations, the U.S. flag should be flown at the same height as the other flag(s.)
- The flag should not be flown in rain or snow, unless an all-weather flag is used.
- On occasions when the flag is to be flown at half-staff, the flag should first be raised to the top of the staff, then lowered to the half height position.
- The flag should not be hung so that it touches the ground, or any object beneath it.
