Re: Council Housekeeping Report

1. The Yard Waste/Compost pickup started yesterday. Advanced Disposal is running behind due to the volume of the yard waste that was placed at the curb.
2. The installation of the new water meters that was set to begin at the beginning of April is likely to be postponed until June 1st, and possibly until July 1st. We will continue to evaluate that date and work with the installation contractor.
3. Our newest DPS/Water Department Public Service Worker, Chad Moskall, started last Monday.
4. Last evening, the Festivities Commission voted to cancel the 2020 Street Fair due to COVID-19. In talking to a few of the Commission Members, this was not an easy decision. The 2021 Allen Park Street Fair will be held on August 6th and 7th, 2021.
