**Re: City Administrator's Report to Council**

---

1. Allen Road is still open at the Ecorse Creek. We do anticipate that Dan's Excavating will be returning shortly. There are still a number of concrete culverts to place as part of the west side bridge reconstruction.
2. Wayne County may start the reconstruction of the Moran Road Bridge over the Sexton and Kilfoil Drain in May. This will require Moran Road to be closed.
3. The Belmont Avenue water main replacement from Fox to Champaign is underway.
4. The Police Department will have an Auto Auction on April 7<sup>th</sup>.
5. CDBG Applications were submitted on Friday. In addition to our \$20,000 Public Services application, I also submitted for ADA Bleacher Replacement (\$295,000) to replace the bleachers in the Ice Arena, Gingerbread Tot Lot ADA Improvement (\$113,600) to add the interlocking rubber tile surface, and the Historical Museum (\$104,000) to address potential exterior and interior Lead Based Paint issues, repair damaged brick and mortar, and remove the enclosed porch.
6. Yard Waste/Compost starts April 5<sup>th</sup>.
